

Ellie Eckhoff

E. Eckhoff Leadership Coaching and Consulting

Ellie is an Executive Coach whose passion lies in helping people and teams recognize and reach their potential to maximize their impact and happiness.

Ellie leverages her resourcefulness to coach and develop leaders using data driven insights, empathy, and deliberate practices. She listens to the best in others, even when they are not hearing it themselves.

Ellie demonstrates her commitment to coaching, mentoring, and developing people underrepresented in leadership positions through her long-term volunteer work at the Healthcare Businesswomen's Association (HBA), an organization whose mission is to accelerate

workplace equality. She's the former President of the HBA Boston Chapter and currently serves on the New England Region Executive Exchange Program Committee
