

Soo Son

Executive Coach, WoW Coaching

As an ICF Accredited Coach, Soo empowers executives, leaders, and managers to break through limiting beliefs and achieve their personal and career goals. Drawing from her extensive experience as a business leader and consultant, Soo excels at listening for the unsaid and pulling on the right threads.

Soo's mission is to help clients create sustainable change through self-discovery and intentional mindset shifts.

Together, Soo will work with you to define your journey, identify areas for change and growth, explore new choices and possibilities, and develop action plans to achieve extraordinary results.
